

# MILL CREEK BANDS

PASSION. UNITY. PERSEVERANCE.

Thank you for placing a Food Order for your Band. We are very excited to have you with us at Mill Creek High School! You should have received a confirmation email from our Booster President confirming your order and giving you the Grand Total Owed. If you have not, please reach out to our Booster President to ensure we get you all taken care of before arriving on Campus. Once you receive your Grand Total, you can either pay online at our band's website, [www.prideofmillcreek.org](http://www.prideofmillcreek.org) under the Make a Payment Tab or bring a Band Check and give it to our Concessions Captain/Board Member once you arrive on campus in the Visitors Concession area (on the way to your seating area).

- Paying by Band Check, please make checks payable to MCBB. Please do not mail your check as we will need payment prior to receiving the orders.
- Paying by credit card online, please reference your school name/band in the Reference Line so we can coordinate the payment received with your order.

## Once on Campus/Picking Up Your Band's Pre-Paid Meals:

- We will have a table set up in the Marching Band / Visitors Section Concession area for your meal pick up.
- Orders will be ready during the beginning of HalfTime - by the end of the 2nd Quarter/ beginning of HalfTime.
- The visiting team chaperones are asked to be responsible for manning their table to ensure the food is given to the correct band members.
- We will have a POMC Chaperone or Concession Team Member nearby for any questions or help needed.
- We will have a labeled paper bag for your meal choices (entree choices vary each season):
  - Each of these bag will contain the entree item and bag of chips
  - If we are selling nachos with cheese as an entree item, they will be in a small tray or fry basket and cannot be placed in a bag. Nacho meals are just the nachos and a drink.
- We will have drink coolers set up in the area with a variety of beverages.
  - Due to ordering and inventory levels fluctuating, we cannot guarantee a specific quantity of requested products. We will have bottled waters and coke products on hand and will do our best to have the best variety available.
- Your Chaperones can either hand out options to the band members or allow their members to choose from the cooler.
- We will have napkins and condiments set out on your table for your band members to dress their food themselves after receiving their orders.

## Helpful Hint:

- Do not place orders individually, place them by entree type: 25 Cheeseburger Meals/10 Hot Dog, etc.
- In the past, Visiting Bands have created their own google order form and exported the information onto an Excel Spreadsheet.
- This way their chaperones have a Name and an Order on them when handing out their food - so no one changes their minds at the last minute.

Thank you for your support,
