

### **Visiting Band Pre-Paid Meals:**

- We will have a table set up in the Marching Band / Visitors Section Concession area for your meal pick up.
- Orders will be ready during the beginning of HalfTime - by the end of the 2nd Quarter/ beginning of HalfTime.
- The visiting team chaperones are asked to be responsible for manning their table to ensure the food is given to the correct band members.
  - We will have a POMC Chaperone or Concession Team Member nearby for any questions or help needed.
- We will have a labeled paper bag for the following meal choices:
  - hamburger, hot dog and cheeseburger meals.
  - Each of these bag will contain the entree item and bag of chips
- The nacho with cheese option will be in a small tray or fry basket and cannot be placed in a bag.
- We will have drink coolers set up in the area with a variety of beverages.
  - Chaperones can either hand out options to the band members or allow their members to choose from the cooler.
- We will have napkins and condiments set out on your table for your band members to dress their food themselves after receiving their orders.

### **Helpful Hint:**

- In the past, Visiting Bands have created their own google order form and exported the information onto an Excel Spreadsheet.
  - This way their chaperones have a Name and an Order on them when handing out their food - so no one changes their minds at the last minute.
